Mr Esmail

Ceremony

Your ceremony is one of the most important parts of the day, so here at The Pavilions at The Great Yorkshire Events Centre, we offer a range of options to accommodate your religious or civil ceremony.

Make your wedding ceremony fit for Royalty and upgrade to the stunning Swale and Esk Suite which hosts the Royal Family when they attend the Great Yorkshire Show. The Swale Room is ideal for an intimate Nikah or Civil Ceremony and the Esk Room makes the most perfect dressing room, ideal for freshening up before your special day begins. Both rooms have access onto the Presidents Balcony with spectacular views over the showground and beyond.

A romantic addition is the White Pavilion, which is our outdoor wedding ceremony space, with seating for wedding guests to be present whilst you exchange your vows. The long sweeping aisle and lush green lawns makes the perfect backdrop for your wedding ceremony.

For larger Hindu ceremonies, the Aire Room can accommodate up to 350 guests, with plenty of space for your bespoke Mandap, allowing you to celebrate surrounded by all of your family and friends. Should the weather permit, there is also the option to build the mandap on the private lawns for an idyllic outdoor ceremony.

Reception

Once the formalities are over, continue the celebrations and share more incredible moments.

It all starts with the perfect arrival for your guests, enjoy a welcome drink in the Aire Room or on the lawns before they head to the Wharfe Room for the main event.

The Wharfe Room is a versatile and flexible space, allowing you to accommodate up to 450 guests, we work with fabulous local suppliers who can help you create your dream wedding.

The Wharfe Room is decorated in neutral décor, which means nothing will interfere with your wedding theme. The team here at The Pavilions at The Great Yorkshire Events Centre are experienced and knowledgeable in multi-cultural weddings and would be delighted to work with you to create the perfect room layout.
